

July 19, 2017

Dear Summer Camp Participants:

Due to the number of cancellations and concerned calls I have received, the results of a poll of the pre-registrants, BC's state of emergency, the fire conditions along the two main highway corridors from the southern parts of the Province (Hwys 97 and 5), and the two week cut-off date for cancelling without penalty at Takysie Lake Resort, the BCLS has officially cancelled Summer Camp 2017 at Takysie Lake.

If you have registered at Takysie Lake Resort, please cancel with them as soon as possible to save your money and to give the resort the maximum amount of time possible to book other guests.

I would like to thank the Lakes District club for the work they have put into planning this event, especially Leanne Miranda and Helen Brown, and for graciously considering to co-host the event next year, in lieu.

Whatever your plans for this summer, please travel safely and let people know where you are going, especially if travelling the back-country.

Have a safe and happy summer.

Phillip Crewe - Summer Camp Director and 2nd VP, BCLS.
