

**- Motion put forward at our General Meeting, March 4, 2018, in Surrey, BC -**

Changes to the Constitution drawn up by Ken Ayers (Port Moody Club); Sharon Hamelin (Richmond Club); Darlene Howe (Richmond Club). Moved by Sharon Hamelin, seconded by Darlene Howe

Motion to change scholarship clause in the constitution **from:**

2. The purposes of the Society are:

To provide scholarship(s) annually to deserving undergraduate student(s) enrolled at a college or university in British Columbia.

**to:**

2. The purposes of the Society are:

To provide scholarship(s) annually to deserving undergraduate student(s) enrolled at a College, University *or Technical school in Canada.*

**The rationale behind this change:** The recipients should be able to attend any College, University or Technical school, within Canada. Today there are many educational centres that are well known for specific programs that might not be available in British Columbia. Also some centres are well known for being the best in certain fields. Recipients should be able to use this scholarship at an educational centre in Canada that is best for him or her.

Voting on the above change to be made at our Annual General Meeting, May 20, 2018 at Rock Creek, BC
