

Proposal by the executive to amend paragraph 14 of the by-laws from:

The annual meeting of the Society shall be held during the month of May in each year at such time and place in the Province of British Columbia as the Board of Directors shall determine.

To:

The annual meeting of the Society shall be held during the months of May or June in each year at such time and place in the Province of British Columbia as the Board of Directors shall determine.

Rationale:

The reason behind this change is to lower the chances of a Rendezvous cancellation when this event is being hosted in an area known to have a high chance of flooding in May and/or snowpack remaining that would hinder or severely restrict access to fieldtrip sites and even (as in this year's event) access to the AGM site itself.
